KREMA

Krema 330 Series Automatic Coffee Machine

Where design meets daily ritual

The Krema 330 Series is more than a coffee machine – it's a statement piece. With modern lines and sophisticated detail, it brings café-quality coffee and a sense of calm to high-level workspaces. When not in use, it complements its environment with sleek, contemporary design that elevates any break room or executive setting.

Behind its refined exterior, the 330 Series delivers consistent bean-to-cup performance with up to 8 drink options, including espresso, cappuccino, and flat white. Designed for simplicity and reliability, it features a compact footprint, user-friendly interface, and automated cleaning system – making it ideal for smaller offices that still expect a premium experience.
